Label Friendly Lubricant

## Colorcon<sup>®</sup>

Working Together for a Healthier World

From Core to Coating, **Naturally** Your Supplier of Choice™

## Nutraceuticals™ Label Friendly Excipients

**Finally, the label friendly ingredient your tablets and capsules have been waiting for**

At Colorcon we understand that manufacturers are looking for more efficient and consistent manufacturing performance for natural products that also meet increasing consumer demands for sustainability and clean label.

Finding natural and sustainable ingredients that deliver good manufacturability is complex – but it doesn't have to be.

Thanks to ease-of-use, Nutracore™ delivers great performance and makes it simpler than ever to make label friendly products your customers will love.

### **Take the uncertainty out of your Tablet and Capsule Manufacturing**

Unlike traditional ingredients, Nutracore™ Natural Advantage excipients are made from natural materials and designed for manufacturability - meaning you'll be able to meet label friendly consumer needs without compromising on performance.

Thanks to the superior powder flow, lubricity and compressibility of Nutracore™, Colorcon makes it simpler than ever to make great label friendly products, even with challenging ingredients like garlic and ashwagandha.

**Superior flow**

**Compressibility**

**Lubricity**

## From Core to Coating, Naturally Your Supplier of Choice™

Colorcon's natural advantage excipients and coatings are specially designed to meet local regulatory requirements, along with the technical and commercial needs of global nutraceutical and supplement providers.

When you partner with Colorcon, we help you to develop a label friendly nutritional product with the competitive edge needed to drive your business growth.
