Colorcon, Inc.: Modern Slavery Act Statement, 2017-2018

Colorcon, Inc., and its subsidiaries, including Colorcon Limited (collectively, "Colorcon") are committed to responsible sourcing and to the prevention of human trafficking and slavery in its supply chain. Colorcon addresses this issue through a number of means.

Colorcon's Code of Business Conduct requires Colorcon employees to comply with all laws in the jurisdictions in which Colorcon does business, which would include those laws regarding the use of labor. Colorcon's Corporate Responsibility Statement and Guidelines prohibits Colorcon's use of child or forced labor.

Colorcon's standard supplier contract, currently in place with a number of its suppliers, requires the supplier to comply with all applicable laws in the jurisdictions in which the supplier produces and sells its product. In the standard supplier contract, Colorcon retains audit rights with regard to the supplier's compliance with the contractual provisions.

Colorcon's standard terms and conditions of purchase require the seller to warrant that all goods purchased by Colorcon have been manufactured in compliance with all applicable laws.
